

Letter of appreciation – Lawrence Aurouet Malherbe

Dear Harold, Geoff, Aslam, Nathan and all of my teachers in all the years at Rosebank Progress College,

I would like to thank you from the bottom of my heart for all that you have done for me, from the beginning of Grade 9 when I arrived about five years ago,

thanks to Harold, Geoff and Aslam for everything,

and special thanks as well to all the teachers for helping me,

this is the best school I've ever been to and the learning environment is so cool and awesome, thanks for giving me some of the best years of my life.

Obviously the last two years were quite hard for me but all in all it's been a bit of a wake up call and it's only made me want to do better and get on and do things in life,

I really really hope and wish everybody at Rosebank all the best for this year and all the years to come and hopefully I'll see you sooner rather than later.

I just really want to say how much I appreciate your support and understanding through the illness and your support even before I was ill and was an absolute nightmare to deal with at times, thanks very much for your patience,

There is no other school like Rosebank and as I said, it's the best that there is, keep up the good work, I'm going to miss you guys a lot and hopefully I'll see you soon.

Je vous embrasse très fort

Lawrence.
